Valet chair

Johannes Hansen | Denmark, c. 1953 | teak, leather and brass

37 h × 20 w × 18 d in (94 × 51 × 46 cm)

An elegant solution to the age-old tendency to use a chair as a cloth rack; the valet chair's seat lifts to form a pant hanger and there is a small storage space under the seat for pocket contents. This example is in excellent condition and signed with a branded mark.

Estimate: \$3,500–4,500
