FINN JUHL dining chairs, set of eight

Bovirke | Denmark, 1953 | teak, steel
28½ h × 20 w × 22¼ d in (72 × 51 × 57 cm)

Juhl created this chair with a carved plateau perpendicular to the backrest. This innovative feature allows one to use it as a armrest in various seating positions. A fine large set of Juhl chairs. Branded factory marks.

Estimate: \$7,000–9,000

Result: \$44,850
