BRUNO LUCCHESI
Nursing Mother

Italy/USA, 1967 | vasilite epoxy
29½ h × 24 w × 47 d in (75 × 61 × 119 cm)

Lucchesi's sculptures have precedents in eighteenth and nineteenth century Romantic and Neoclassical sculpture. Lucchesi's best figurative pieces often seem to defy gravity by having the entire sculpture rest lightly on one leg of the subject.

Provenance: Brooklyn Museum of Art, sold to benefit the acquisitions program

Estimate: \$4,000–5,000

Result: \$2,340
