EZIO PIRALI Zerowatt table fan

Zerowatt | Italy, 1954 | cast metal, steel, rubber
9 h x 7 w x 9 d in (23 x 18 x 23 cm)

The cage surrounding the rubber blades of the Zerowatt table fan features two tilting positions and a rotating center, allowing the fan to be positioned at several levels. Pirelli makes no attempt to hide or enclose the mechanized parts of their designs, but rather uses them to further express the function of the object.

Estimate: \$1,000–1,500

Result: \$1,521
