GERRIT RIETVELD Glass cabinet

Metz & Co. | The Netherlands, 1936 | lacquered wood, glass, enameled metal
36¾ h × 78½ w × 22 d in (93 × 199 × 56 cm)

Originally designed as display for Metz & Co., the progressive Amsterdam store. This cabinet design was put into production briefly for use in the home. An extraordinary design by Rietveld featuring wired glass shelves, shaped to accommodate bottles, flanked by five drawers each having a solid glass pull. Literature: The Complete Rietveld Furniture, Voge, pg. 105, illustrated.

Estimate: \$18,000–22,000
