PEDRO FRIEDEBERG

Hand chair

Mexico | carved mahogany

36½ h × 17 w × 20½ d in (93 × 43 × 52 cm)

Friedeberg's idiosyncratic designs relate to surrealism and fantastic realism but defy easy categorization. The example shown is one of his most famous works. Artist signed on bottom of base.

Provenance: Acquired direct from the artist

Estimate: \$3,000–4,000

Result: \$5,850
