**HERBERT VON THADEN**  
lounge chair

Thaden-Jordan Furniture Company | USA, 1947 | birch plywood, brass  
40 h × 20 w × 28 d in (102 × 51 × 71 cm)

Experimental bent plywood chair with two-position adjustable back. Thaden's chair design was directly developed from his experience in the aviation industry during the second world war including the use of plywood.

**Estimate:** \$5,000–7,000

**Result:** \$5,310
