**LAGARDO TACKETT**  
planter prototype

Architectural Pottery | USA, 1950s | bisque  
15 h × 21½ w in (38 × 55 cm)

This planter is similar in form to Tackett's T-103 planter, but an undulating bottom edge is used in place of the pierced hole found on production models.

**Estimate:** \$700–900

**Result:** \$1,180
