HARRY BERTOIA
untitled (Directly Formed Bronze)

USA, c. 1960 | bronze with applied patina
6½ h in (17 cm)

A fine example with an applied green patina and integrated base. Bertoia allowed for spontaneity to dictate some of this sculpture, which is balanced with a considered cut separating the paired elements of the form.

Provenance: Acquired directly from the artist

Estimate: \$4,000–6,000

Result: \$5,900
