HARRY BERTOIA untitled (Wire Bundle)

USA, 1960s | steel, steel wire
28 h x 5 w x 5 d in (71 x 13 x 13 cm)

This unique sculpture incorporates elements Bertoia used in his Spray and Willow series. The bundled wires are grouped and twisted forming a structural shape that contradicts the malleability of the wire, adding a level of complexity to the otherwise simple form.

Provenance: Fritz Woehle, F.A.I.A., Birmingham, Alabama

Estimate: \$10,000–15,000

Result: \$9,600
