**MICHAEL AND FRANCES HIGGINS**  
side table

USA, c. 1950 | fused glass, steel  
17 h × 12¼ w × 12¼ d in (43 × 31 × 31 cm)

A rare table from the artists' personal collection. The table top is an experimental form created from fused pieces of clear glass, eschewing the artists' usual concern with coloration.

**Provenance:** Estate of Francis Higgins
