MARIYO YAGI
Garbo light fixture

Sirrah | Italy, 1970s | enameled steel, string
116 h × 9 w × 9 d in (295 × 23 × 23 cm)

This domestically scaled extension of Yagi's earthworks encapsulates the density and intricacy of her art. The delicate strings create a luminous shade and textured surface that gently diffuses the light source.

Estimate: \$3,000–4,000
