SCOTT BURTON
Hectapod table

USA, 1982 | folded nickel-plated steel
20½ h × 20¼ w × 24 d in (52 × 53 × 61 cm)

Straddling the fine line between art and furniture, Burton's table echoes Constructivist compositions in a utilitarian object. This table is formed using a single piece of folded steel with a reveal at the edges creating a juxtaposition of negative and positive space. From the edition of six.
