

IMPORTANT 20TH CENTURY DESIGN SESSION 2

711

PHILLIP LLOYD POWELL
coffee table

USA, 1962 | stacked laminated walnut, gilding, slate
19 h × 44 w × 26¾ d in (48 × 112 × 68 cm)

The textures and colors Powell utilizes in this design complement and accent each other perfectly. His blending of disparate natural elements demonstrates his understanding of proportion and balance. Although Powell made a handful of these forms, the current lot is the only example with an asymmetrical top. Hand-signed and dated to underside: [Phil Powell '62].

Estimate: \$6,000–8,000
