T.H. ROBSJOHN-GIBBINGS custom desk

Schmeig and Kotzean-Bony | USA, c. 1937 | carved oak, brass
40 w × 22 d in (102 × 56 cm)

The design of this desk dates to the period when Robsjohn-Gibbings collaborated with Los Angeles-based architect James Dolena and design firm Peterson Studios on his most famous commission, the Casa Encantada. The same carved details on this desk can be found in pieces from that commission.

Provenance: Private collection, Los Angeles

Estimate: \$20,000–30,000

Result: \$21,600
