RICHARD MEIER
pre-production stools, pair

Martin's Chair Shop for Knoll International | USA, 1982 | lacquered maple
15¼ h × 17½ w in (39 × 44 cm)

Crafted by Martin's Chair Shop for Knoll, these pre-production stools originate from the collection of Karen Lawall, a Knoll employee who spearheaded the production of Meier's furniture in the early 1980s. This lot is accompanied by a collection of original documents including blueprints drawings of the furniture line and a letter from Richard Meier to Ms. Lawall expressing gratitude and praise for her work with the collection.

Provenance: Acquired directly from the maker | Estate of Karen Lawall of Knoll | Private collection

Literature: *Richard Meier: Architect*, Meier, ppg. 232-234, 236

Estimate: \$10,000–15,000

Result: \$19,200
