CARLO MOLLINO

cabinet from the Ferro residence, Torino

Apelli & Varesio | Italy, 1950-1952 | maple, skai, brass
99 h × 56½ w × 18½ d in (251 × 144 × 47 cm)

In the early 1950s, Ferruccio Ferro commissioned Mollino to design the dining room of his home in Torino. This cabinet comes from that commission and has since remained in the Ferro family. Four doors conceal four adjustable shelves. Sold with photocopy of letter from Maurizio Ferro, Ferruccio's son, explaining the provenance of this work.

Provenance: Acquired directly from the artist | Ferruccio Ferro, Torino | Thence by decent Maurizio Ferro, Torino

Estimate: \$35,000–40,000

Result: \$42,000
