JORDAN MOZER

Fred's dining chairs, set of four

Jordan Mozer Studios | USA, 1993 | leather, enameled cast aluminum, stained beech
35 h × 21 w × 27 d in (89 × 53 × 69 cm)

In 1993, Jordan Mozer designed *Fred's*, the fine-dining room for Barney's flagship store located at 61st and Madison in New York. The chair is named after Fred Pressman, son of Barney Pressman (founder of Barney's) and visionary who transformed the discount retailer into the elite luxury goods department store it is today. Less than forty Fred's dining chairs were produced for Barney's.

Provenance: Fred's at Barney's, New York | Private collection

Estimate: \$2,000–3,000

Result: \$6,985
