PAUL TUTTLE

Anaconda lounge chairs, pair

Strässle International | USA/Switzerland, 1971 | chrome-plated steel, leather, lacquered fiberglass
28 h × 33 w × 29 d in (71 × 84 × 74 cm)

The Anaconda chair was first introduced at the Imm Cologne International Furniture Fair of 1972. Due to the high costs, this form never went into production and few examples were made.

Estimate: \$7,000–9,000
