FRANCOIS DALLEGRET

set of four models for Kubaltos project

acrylic, chrome-plated steel

17¼ h × 2¾ w × 2¾ d in (45 × 7 × 7 cm)

While at Skidmore, Owings and Merrill, architect Walter Netsch commissioned Francois Dallegret to conceptualize and create tower models that would be included in a project for a large university park. The project, named Kubaltos, was never realized but Dallegret continued to utilize the forms as models for other concepts.

Incised signature, date and number to each element 'god 68 1/9'. These works are number 1 from the edition of 9.

Estimate: \$1,000–1,500

Result: \$896
