JOHNNY SWING Murmuration

welded nickels, stainless steel

The Four Seasons has a long tradition of engaging with contemporary artists and featuring compelling works throughout the restaurant. Through his association with Storm King Art Center, whose collection includes his work, Johnny Swing came to know Julian Niccolini and was invited to install *Murmuration* at The Four Seasons, where it has been appreciated for years.

This work is number 2 from the edition of 10 aside from 1 artist proof
