RICHARD SCHULTZ

Early Production Leisure Collection lounge chairs, pair

Knoll International | USA, c. 1966 | powder-coated aluminum, vinyl, nylon
26½ h × 22½ w × 27½ d in (67 × 57 × 70 cm)

The Leisure Collection lounge chair without armrests was introduced by Knoll in 1966 but but was discontinued in the mid-1970s because the version with arms was preferred. Richard Schultz favored the elegant simplicity of the armless version and he retained these two chairs in his personal collection.

Estimate: \$2,000–3,000
