WENDELL CASTLE

Unique table

USA, 1968 | stack laminated and painted cherry wood
20½ h × 16½ w × 15¼ d in (52 × 42 × 39 cm)

Predating his work in fiberglass, this unique table is composed of stacked and painted wood creating a glossy, sinuous effect that would become emblematic of Castle's later designs.

Signed and dated to underside: [WC 68]. Wright would like to thank the Wendell Castle Studio for their assistance in cataloging this work.
