DANKMAR ADLER AND LOUIS SULLIVAN stair riser from the Chicago Stock Exchange

Winslow Brothers | USA, 1893 | electro-plated copper finish over cast iron
7¼ h × 42¾ w × 1 d in (18 × 109 × 3 cm)

The copper-plated stair risers of the Chicago Stock Exchange Building's staircase feature an unusual incised geometry-based ornamentation. The flatness facilitated easy cleaning, and prevented damage to the copper plating from shoe scuffs.

Provenance: Chicago Stock Exchange | Private Collection

Estimate: \$2,000–3,000

Result: \$1,750
