

PRINTS & MULTIPLES: MOSTLY UNRESERVED

LOVE: Enflame.

Anoint my head with clove
That, hungry, love may rove
And stab like fire
The orifices of desire,
Lick the mated ear,
The married eye,
The bedded nose -
And leap white lavan
From the single rose
Of mouth.
Singe the skull,
Cause brain to boil.
Ignite my hair -
Enfurl a glowing anadem
Aromatic
With passion.
