PAUL T. FRANKL

Early cabinet from the artist's cabin, Bearsville, New York

USA, c. 1925 | lacquered wood, patinated brass
33¾ h × 24¼ w × 21¼ d in (86 × 62 × 54 cm)

This early, one-of-a-kind example is a precursor to Frankl's iconic *Skyscraper* series and was designed and constructed by hand at the artist's cabin located in Bearsville, New York.

Cabinet features a drop-front surface concealing open storage, over a single door concealing one fixed shelf.

Provenance: Collection of the artist, Bearsville, NY | Acquired from the previous c. 1948, Private Collection | Private Collection

Estimate: \$2,000–3,000

Result: \$2,268
